

National Flight Academy – Facilitator, Intelligence Officer (IO), JIC Instructor

Anticipated Seasonal Work Timeline: Summer 2022, Fall 2022, Winter 2022, Spring 2023

Pay: Hourly

Job Requirements: Teaching experience required; Teacher Certificate preferred; Must be able to pass a level two background screening; Must have a valid driver's license or state issued ID card. Health Information and Portability Act (HIPAA) certified (provided). Florida Department of Children and Families (DCF) Identifying and Reporting Child Abuse and Neglect certified (provided).

Job Description: Facilitators will serve as a lead instructor in a classroom setting for the National Flight Academy (NFA). This position will require roleplay as a US Naval Intelligence Officer (IO) in the Joint Intelligence Center (JIC). The IO will be responsible for the presentation of the classroom portion of each mission to include mission and flight planning and other duties as assigned. The IO will work with an average of 36 students in 3 rotations of 12 students several times a day. The IO will give a brief lecture on the topic of the mission and bound a specific problem or mission for the students to solve or plan for. The remainder of each rotation will be utilized to assist the students in completing the assigned tasks at the group and individual level.

Work Environment: The work location is the National Flight Academy facility on Pensacola Naval Air Station, Pensacola, FL. The employee will be required to work primarily indoors in dimly-lit, air conditioned settings in an educational gaming/ classroom environment. Work will include long periods of computer screen monitoring and use of technology resources.
