

## **National Flight Academy – Resident Associate**

Anticipated Seasonal Work Timeline: Summer 2022, Fall 2022, Winter 2022, Spring 2023

**Pay:** Hourly

**Chief Job Requirements:** Must be able to pass a level two background screening. Must have a valid driver's license or state issued ID card. Health Information and Portability Act (HIPAA) certified (provided). Florida Department of Children and Families (DCF) Identifying and Reporting Child Abuse and Neglect certified (provided).

**Work Environment:** The work location is the National Flight Academy facility on Naval Air Station Pensacola, Pensacola, FL. The employee will be required to work primarily indoors in dimly-lit, air conditioned settings in dorm-like settings. Job Descriptions: Acting as 'Fire Watch', the RAs are responsible for enforcing lights-out, ensuring the students are remaining quite and in their rooms throughout the night, and are onsite for any emergencies. They are required to do a walkthrough every 15 minutes. We allow RA's to bring in books and laptops, but are required to stay awake and stay alert.
